

Touching the Light: A Vast

Medicine

Contribution to the Changing Future of

Hello Beautiful Being,

From my heart, I want to personally THANK YOU for inquiring about my Touching the Light Certification Program! I will be thrilled to have you as my student!

As a Touching the Light Practitioner, not only will you benefit by gaining access to your higher awareness, expanding your innate senses toward recognition and therefore potential change in your own life, you will learn to indelibly touch the lives of others as well!

As you learn to accept and embody your greatest potential you will begin to attract others of like kind and mind.

As a Certified Practitioner of Touching the Light, you not only be Certified to have your own practice, you will also have the opportunity to expand your experience and knowledge as a Level two Practitioner and then, if you desire, as an Instructor.

Just so you know, if traveling is out of the question for you, Touching the Light is now available ONLINE! Subject to the same stellar standards as our in person classes, we have arranged for you to attend our regular classes from wherever you are!

I look forward to receiving your application and further discussing the program with you. For when you say "YES I want to be a Certified Practitioner of Touching the Light!" I have provided a self addressed stamped envelope for your convenience. Again, thank you so much for requesting this package!

Blessings and peace,

Meg
